## Reign in Spain

Romantic Spanish Lessons from Spanish Black Belt

The smoldering Latin lover leans in and asks if you'd like to go for tapas. You nod and start unbuttoning your blouse.

Before your dignity gets lost in translation, let Spanish Black Belt brush up your romance language lexicon.

The local school will send a teacher to your home, a nearby coffee shop, or convenient location of your choice to coach you in the art of perfect Spanish come-ons.

You can learn solo, with a beau, or alongside a group of Barcelona-bound buds. Pack your lessons into a week of intensive training or extend instruction to perfect conversation skills. The lessons on colloquialisms, pick-up lines, and bedroom talk will help you heat things up.

And add some hubba hubba to your *habla*.
